PAINTBALL—*Optional* Outdoor Choice Time

Camouflaged in the heavily wooded areas of Highland Lakes Camp are three Paintball battlefields guaranteed to provide a unique and challenging paintball experience. Hide or hunt? Find or be found? Attack or defend? When your heart's pounding and the adrenalin is pumping, can you stay calm? Can you shoot straight—can you see straight?

Game Manager will issued equipment, provide safety briefing and help familiarize players with the layout and general structure of the courses.

The Game Manager will remain with and supervise your group throughout the Paintball game. Game Managers are also trained to ensure that you and your group have a great time!

All paintball Game Managers are experienced and fully trained and will be pleased to answer any questions and give advice about individual, team or overall paintball game combat tactics.
