

## Friends of Highland Lakes

### *Enrollment Form*

We are kicking off the Friend of Highland Lakes Fundraising Program in 2010 with a bang! Our Board of directors and our staff believe in the ministry here at HLCC and we realize that it takes more than the low camp fees we charge to continue the ministry here. By joining in together we can multiply our efforts and grow the ministry partnership with the local church in reaching people for Christ, strengthening and renewing believers and growing our leaders to be effective in the local church and around the world.

So they are committing first their money and efforts every month to become a part of this great opportunity with "Friends of Highland Lakes" and second they are asking that you join in with them in becoming a friend of the camp in seeing 1000's of lives changed every year. We are also stepping out in faith for some exciting new ministry opportunities to be announced this next year and so we are asking for 400 monthly partners to join in our Miles Campaign and 1500 in our Friends campaign.

It is a monthly commitment to Highland Lakes Camp to *partner with me, our staff and our board of directors* in our ministry programs and camps throughout the year. There are two ways to enroll: 1) Authorize your gift to be charged to your credit card monthly for the enrollment period or until you cancel or 2) We will send you a monthly reminder envelope to return your gift check made out to the camp. By filling out and signing this form you are authorizing Highland Lakes Camp to enroll you in the program. You also may fill out our secure online form to enroll at [www.highlandlakescamp.org](http://www.highlandlakescamp.org).

For as little as \$10 per month or \$20, \$30, \$40, \$50, \$84, \$100 or any amount you specify, you can make a difference in the lives of children and students each month. (\$84 per month is \$1000 a year which goes toward our Miles Building Fund) See details online or the representative who presented the program to you or myself Rod Cordsen the Director of Development at 888-222-3482. Thank You for enrolling in the program and God Bless you and your family!!
